**Boren Scholarships
Final Progress Report**

2. What challenges did you encounter during your final weeks abroad in operating in the target language?

3. Describe a linguistic interaction in the target language during your final weeks abroad that characterize your command of the target language at its best.

4. Please comment on your overall progress with the target language. Have you reached the linguistic goals outlined in your first report? In what ways have your language skills increased inside and outside the classroom? How do you plan to continue your target language study?
